

Woven duct tape (or paper) heart template

To begin cut out the template along the outer black line

to make your heart

1. take 1 piece of duct tape fabric 10 inches long by 3 1/2 inches wide (2 strips of tape wide)
2. fold the fabric in half (it will now be 5 inches long)
3. lay the template with the flat edge at the fold and cut around the template
4. cut the slits to their endpoint (cut the paper and fabric at the same time)
5. repeat steps 1 - 4 with a second strip of duct tape fabric
6. Keep the two trimmed fabric sides folded and begin weaving the three strips.
7. When all three strips are woven, gently pull the round edges up and out to tighten the weave.
8. Fill with notes or treats and share.
